

Resilience makes brilliance!

Norfolk Multi-agency Practice Week

Monday 24 November 2025 – Friday 28 November

Welcome

We want people to participate but please use the 'raise hand' facility to ask questions and contribute when others are talking.

Please be considerate to others - together we want to create a safe, open and reflective space to learn.

You can turn on live captions on by clicking on the 3 dots at the top of your screen if you need this.

The link to the feedback form will be put in the chat.

Please do take the time to complete it after the session.

Thank you!

Norfolk County Council

How Travel Training Transforms Lives

TITAN Service Overview

TITAN can be delivered in school settings, as well as 1-2-1 bespoke travel training for young people and adults in the community.

The Let's Go! programme helps Year 6 students learn how to travel safely and confidently in secondary school.

Let's Go!

TITAN+ is our bespoke, 1-2-1 training offer. Training supports young people with SEND and adults at risk to acquire the skills for safe independent travel in the community.

Ready To Go!

TITAN+

The Ready To Go! programme is for Year 7 onwards. Schools/colleges can deliver training in a way that fits in with their education offer.

What Resilience Looks Like in TITAN

Problem solving when route changes

Young people learn how to adapt when buses are late, routes are altered or unexpected challenges arise.

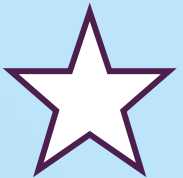

Staying calm in unfamiliar situations

We support trainees to manage anxiety, build emotional regulation and keep going even when a place or journey feels new.

Confidence through repetition

Every journey builds self-belief and trust in their own ability to travel independently.

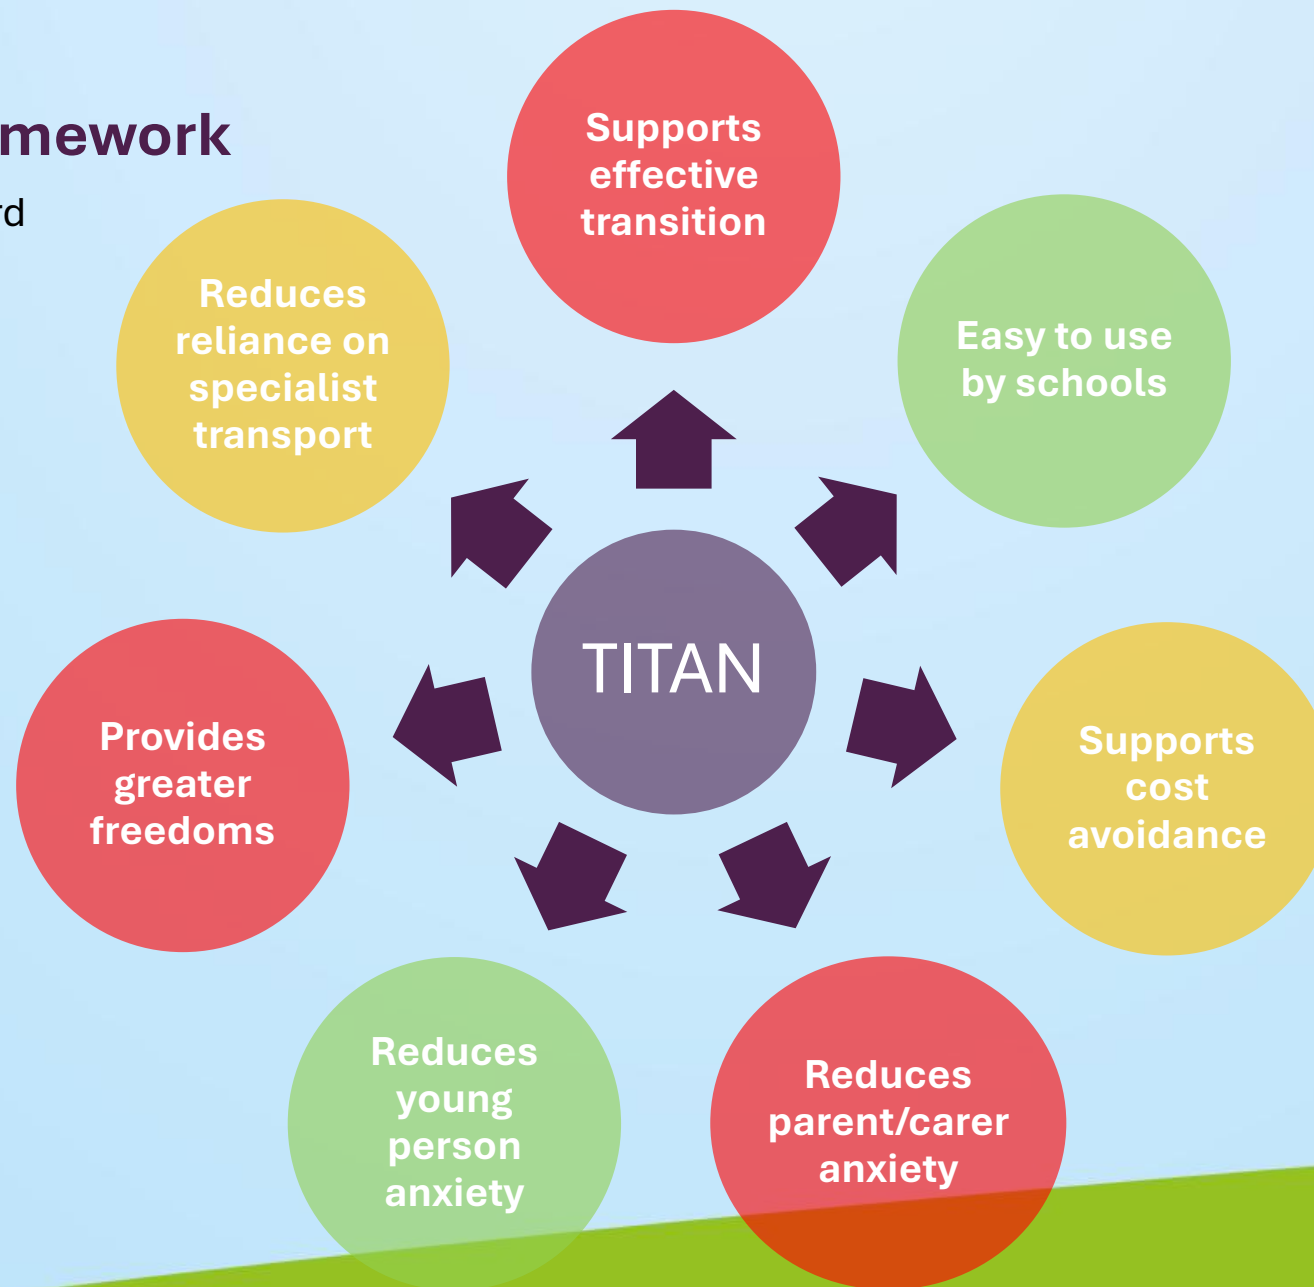

Celebrating progress and independence

Success is recognised at every step – helping trainees feel proud and ready for the next challenge.

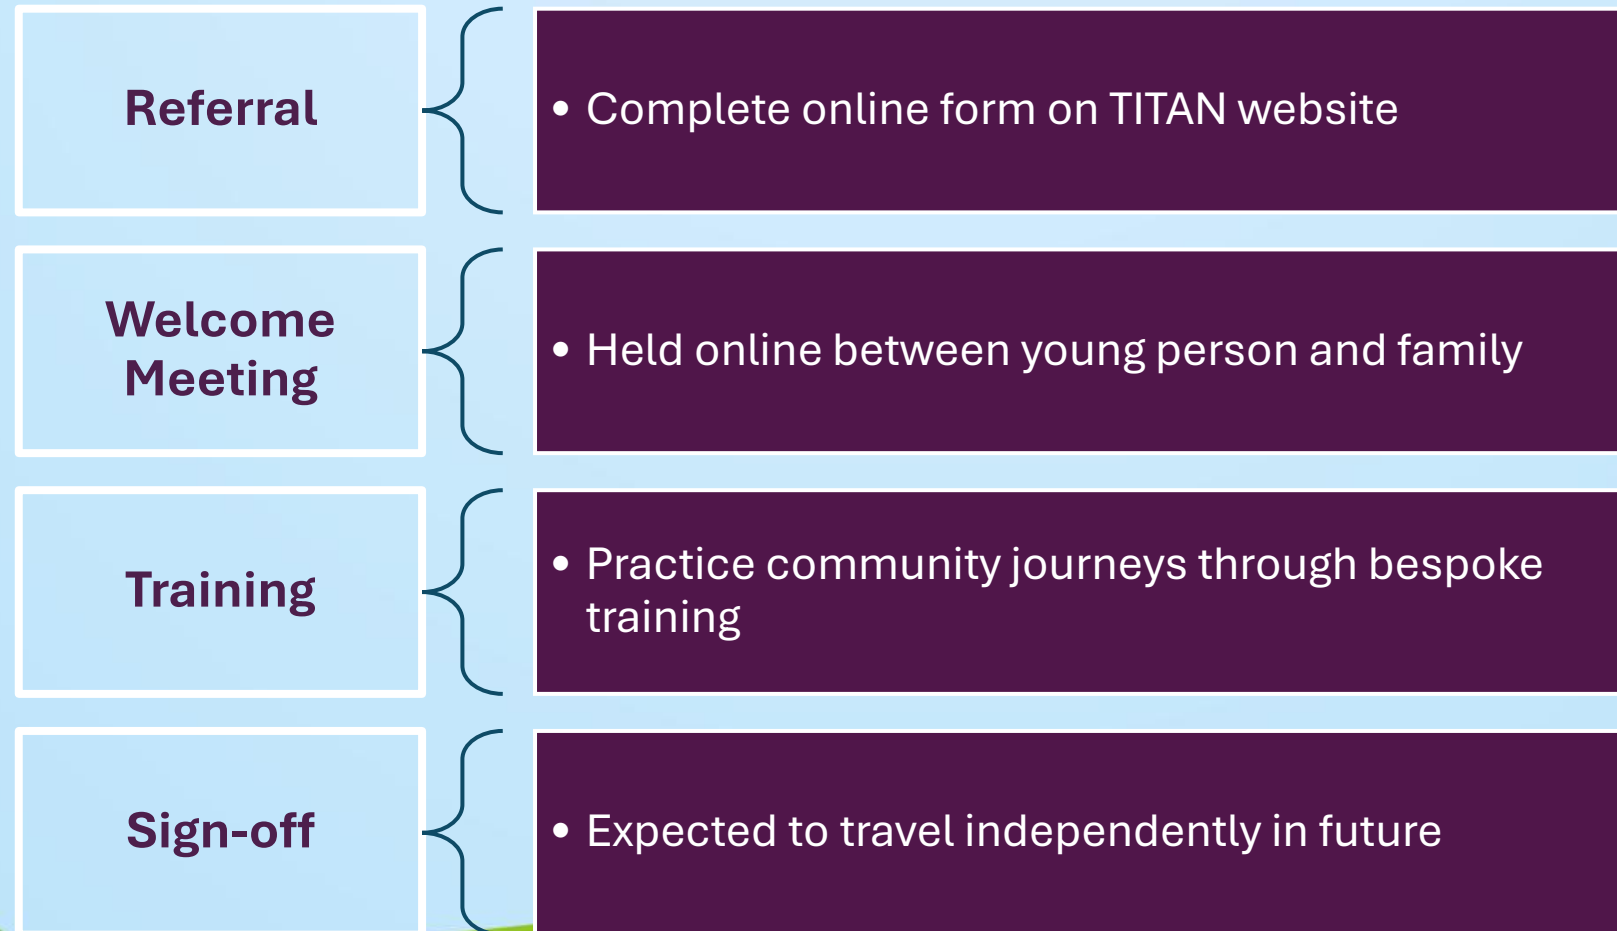

Benefits of TITAN Framework

Every skill learned is a step toward lifelong resilience.

TITAN+ process

We work with young people and adults with SEND, from age 10 to 25. Anyone above the age of 25 will need to be referred through LAS.

The Trainee's Journey

Growth happens when we dare to move forward.

Comment made by a Headteacher at a Norfolk college:

"The Ready to Go! programme has been a revelation to our college since we've started. Our Year 13s have made unbelievable progress".

Quote from a parent of a Year 7 trainee:

"TITAN has been an amazing help for my son. It has given him the confidence and independence he didn't have before."

Quote from a Year 12 trainee:

"I'm loving college! If you'd have asked me before, I would've said I'd never be able to travel independently. Now I go to college on my own – all because of TITAN"

How You Can Work With Us

Whether you're a parent/carers, SENCo, teacher, NCC professional, you can get involved with TITAN.

**Refer young people
to TITAN+**

**Embed TITAN into
curriculum**

**Invite TITAN to
events**

**Include TITAN in
transition planning**

**Practice travel skills
at home**
