

NSCP Safer Programme Charging Structure

Annual membership for the Safer Programme is £35, £45 or £55 a year depending on your group or organisation's annual income. For groups with an annual income of under £250,000 it is £35 a year, for those with an annual income of £250,000-£500,000 it is £45 a year and if a group's annual income is more than £500,000 a year Safer membership will cost £55 a year.

The Safer Programme as part of the NSCP provides Core Programme, Reflecting and Refreshing and Safer Recruitment training to the voluntary, community and private sector. The Safer Programme remains completely financially independent, receiving no funding and has to remain self-sufficient.

Mixed introductory level safeguarding children training including introduction to safeguarding children, designated safeguarding person, children and domestic abuse and online safety is £20 per person for members, £40 per person for non-members.

For core programme level including safer recruitment courses the price is dependent on the size of your group/club/organisation.

Core Programme & Safer Recruitment (discount if Safer Programme members)	
Under £250k	£70 (£50)
£250-500k	£90 (£70)
Over £500k	£120 (£90)

Training charges will be made on a sliding scale based on the organisation's turnover the previous year. As this information is available from the Charities' Commission and Companies House websites, verification is easy. For independent organisations a statement of turnover will be required.
